This project constructs the **US 45 / Lake Butte des Morts Drive / Fernau Avenue** roundabout, reconstruction of local streets and construction of a storm water detention pond. The project includes:

- earthwork
- storm sewer
- gravel
- concrete pavement
- asphaltic pavement
- curb and gutter
- signing and sign structures
- pavement marking
- landscaping

Beginning in August and September of 2009, crews began by working on the storm sewer including the **US 45** storm sewer crossing, installed a **US 45** temporary road, excavated the detention pond and began landscaping work. Work will continue through August of 2010.

**Traffic impacts:** After some preliminary lane closures in August 2009, traffic impacts are minimal.
